About the College

Surendranath Law College, Kolkata is a premier law institute in India which is affiliated to the University of Calcutta and recognized by the Bar Council of India. It is one of the oldest law colleges in India. The 'Rastraguru' Surendranath Banerjea, the great patriot and educationalist found this prestigious institution. In 1882, the Presidency School, which formed the nucleus of the present Institution, was handed over to Sir Surendranath Banerjea on 1 st January 1884. He raised it to the status of a college affiliated to the F.A. standard and named it "The Presidency Institution". Within a year the institution was converted into a full fledged, first grade college under the name "Ripon College". Its activity was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the Calcutta University in the year 1885, as an independent professional college. But after the attainment of independence, the golden cause to which Sir Surendranath dedicated his entire life, the name of the college was altered to Surendranath College. This esteemed Law College is now regarded as one of the oldest law colleges of the country. Presently, this College imparts 5 Years B.A. LL.B course, 5 Years B.A. LL.B (Honours) Course and two Years LL.M Course.

About the course

Surendranath Law College offers Online Certificate Course in Criminal Justice and Victimology. After having established a sound framework for the classroom teaching in these fields, we now plan to traverse the virtual world to embark on e-learning. By e-learning is meant an innovative, on-line teaching technique for distance learning that utilizes the Internet for teaching purposes. eLearning would bring the issues closer to the participants in all corners of India through virtual means. This course can be accessed by anyone, anywhere and at any time. Key Focus This course is built on common foundation of Criminology & Criminal Justiceand allows for maximum flexibility to meet the needs of the participants and their respective area of interest. In this approach, the course will be individualized to meet the participant's professional goals in keeping with the overall objectives of the programme. This method of learning allows participants to undertake and continue this programme at their own place anywhere in India. The salient features of this course are –

(i)   To enhance knowledge and understanding of the Indian system of criminal justice from systematic approach

(ii)   To explain the terminologies related to fundamentals of criminology.

(iii)   Keep pace with emerging developments in criminal justice.

(iv)   To understand criminal justice system along with judicial administration in India.

(v)   Enhance the competencies of the professionals already working in the area of criminal justice system.

(vi)   To introduce the basic concepts and theoretical approach of Victimology and the victimization process.

(vii)   To give an insightful understanding about the emergence of "victim" i.e. how the victim came into picture after studying only criminals for many years.

(viii) To give an insightful understanding about the victimization status of different vulnerable groups, their causes, impact and the initiatives taken by the government to resolve the issues.
